Dear Eldon how

fine. especially knowing
we are through work
in the field untill
gathering time.

we are going fishing
Monday if nothing
happens. and stay
two or three days.

I am going to catch
a great big fish if
some body take it
off of my hook.

I dreamed you you
were married ~~to~~ but

I dont know who to
 but it wasnt me.

Alma still goes
 with Mr. Johnson.

They Intend to
 marry next Saturday
 the Eleventh. I sure
 do hate to see her
 marry. she had
 her hair and I hated
 to see her do that to
 but that the good it
 did.

You ought to have
 been here last night
 we had all the
 Ice Cream we could
 eat. well I cant
 think of any thing
